LIONS' HARBOR DAYS SHINES BRIGHT

The great, good fortune of the Mattapoisett Lions' Club held true to form as the sun smiles once again on the Shipyard Park Fair. Traffic jams all over the center testified to the popularity of the attractions as a record number of people flocked to see a record number of exhibitors.

Mattapoisett Selectmen's Meeting

JULY 14, 1987-by VIRGINIA ARRAL

HISTORICAL COMMISSION CHAIRMAN RESIGNS

In what Selectmen last Tuesday termed "with deep regret", they accepted the resignation of Priscilla A. Hathaway from the Historical Commission, effective immediately. She was thanked for her endless hours of very thorough devotion to the Commission.

Mrs. Hathaway said the Commission has done the tasks it set out to do and members have put in over 1,000 hours per person each year in checking records. "We have done all historic inventory of houses, plus the addition of the town's public buildings."

She explained the Commission needs people with enthusiasm, a dedicated person, someone willing to put in many hours, and that somebody will have to handle immediate goals and preservation. She emphasized the Commission should not be disbanded. "I am willing to be a consultant, but not an advisor", she said. She presented Selectmen with two bound books containing records and photos of houses and buildings.

In her letter of resignation, Mrs. Hathaway wrote: "It is after much thought and consideration that I submit my resignation to you as a member, chairman and treasurer of the Mattapoisett Historical Commission. I have served the commission since its beginning in 1974 and have been its chairman for the past 11 years. The commission, under my leadership, has completed its task of doing an inventory of the town's historical assets in

order to comply with the Massachusetts Historical Commission's requirements.

"I believe it is now important that the commission tackle the job of establishing a National Register District or a Local Historic District. Such districts have proven economically advantageous to cities and towns and are the most important means of historic preservation. There are immediate goals that the Mattapoisett Historical Commission should be addressing by giving its input to the Growth Management Committee, as well as state meetings on future preservation needs.

"I sincerely hope that there are dedicated and enthusiastic people in Mattapoisett willing to learn and to lead in these areas. I have truly found this a most interesting and gratifying commission to have served on and although my interest in this area has not diminished, I feel it is time to retire."

In response to Selectmen's question on the meaning of a historical district, Mrs. Hathaway explained there are two designations - one is a local historical district which is more stringent in its regulations. The second is a National Historical District. She felt the idea for a historical district should come from the people themselves throughout the town. She recommended Selectmen contact a Mr. Tony Souza, a Mattapoisett summer resident who has done

work for the New Bedford Historic Preservation Society in preparation for grants, or a spokesperson from the state to explain details of joining a state historical district.

In other business, Selectmen:

MET WITH a group of owners in the Water Street/Atkinson Way section to hear their complaints of ground water draining on their property from what they believe to be the property of the newly constructed home of Dr. Jon Ruel on the corner of Water Street and Atkinson Way.

Those attending included Edward Walsh, 4 Linhares Avenue (behind the Ruel house); Morgan H. Plummer, Jr., 13 Shipyard Lane (the corner of Water Street); Mr. and Mrs. Daniel Morley, and Mrs. Andrew Oliver, 36 Water Street.

Mr. Plummer said five years ago the Highway Department put in two new catch basins; however, this has not solved the problem. The water is coming from two directions onto his property, he said.

Mr. Walsh said he went to the Conservation Commission in December and a member viewed where there was water up to his knees in the area in back of his stonewall. Selectman Frank Suzan said it is the obligation of the owner of the property not to direct water to create a danger or ruin neighbors' property.

Mr. Walsh asked who gave permission to allow the owners to drain into a town drain. Selectman Suzan said he doubted Manuel R. Nunes, highway surveyor, would allow owners of the Ruel property to connect with

the pipe if it wasn't large enough to handle the flow. Selectman William Hubbard said he thought the pipe was probably a six or eight inch pipe. Selectmen agreed to speak to Mr. Nunes to determine the best way to alleviate the problem.

MET WITH Steve Pettey, Acting Recreation Director, who recommended the hiring of Susan Ann Downs, age 24, of New Bedford as lifeguard/instructor for the summer season. Pettey said there were two applicants both with excellent qualifications.

Ms. Downs has qualified as a water safety instructor, senior lifesaving and CPR. She worked for the Town of Bourne in the summer of 1984 as an instructor/lifeguard, and also as program director at Clark Memorial, Winchendon, MA. where she ran all aquatic programs.

RECEIVED A LETTER from Dr. Manuel C. Rosenfield, Chairman of Old Rochester Regional District School Committee, requesting the Board's presence at a joint meeting with the boards of Rochester and Marion on July 16th to discuss financial problems created as a result of Proposition 2½.

letter will be sent to the chairman to that effect with the understanding Mattapoisett's Finance Committee will also be represented on that date.

It was the understanding of the Selectmen that there is a similar conflict of dates with Marion and Rochester Selectmen and that the July 23 date would be more convenient for all three boards.

On a similar matter, Selectmen will confer with the Finance Committee to determine where the funds to pay the increase in the town employee Blue Cross/Blue Shield coverage as well as that of the ORR School Committee's increased coverage of $89,000 -total will come from. Mattapoisett's share is estimated at this time at $48,000.

vice-chairman and several sub-committees were formed. These sub-committees will report at a future meeting. The next meeting will be held at 7:30 p.m. July 23rd at Village Court and interested citizens are welcome to attend.

Selectman William Hubbard asked Kortright if the study group could look into "poorly designed" or "not accepted" roads. Chairman DeCosta recommended setting priorities to do sections of a road at a time if the cost is too much for the entire road at once. He added that only 10 signatures are needed to place an article on the town warrant for a street acceptance.

QUESTION:

WHY SHOULD CHILDREN HAVE CHIROPRACTIC SPINAL MANIPULATION?

ANSWER: Because growth and development can be affected by minor bumps, jars and falls.

Every year, thousands of structural health problems in students of grade and high school level go undetected even though teachers, coaches and physical education instructors watch for health irregularities which might interfere with a child's physical performance and learning ability.

Part of their jobs? Not really. It's that extra sense of dedication that makes these already overworked public servants give children that extra attention. The "school guardian" is responsible in many cases for the detection of potential health problems and the funneling of children to proper health authorities.

What most people don't know is that most health problems are far too complex for the teacher to note. And with a busy schedule, the educator can't be expected to have the time to screen problems that are beyond his or her scope of training, no matter how conscientious the teacher may be. The result: many children have health problems that retard their ability to learn or engage in sports effectively.

Here's what you can do:

- Parents should be urged to take more responsibility for their children's health.
- Parents and teachers should be alert to such things as changes in energy level, postural changes, moodiness, listlessness or any unusual signs that signal a problem that will impede learning. One of the observable signs is lack of interest in school activities.
- The structural balance of the child's body should be considered. The school teacher will no doubt note the child's posture, but that does not always indicate the structural integrity of the body. Comprehensive chiropractic examinations, including examinations of the spine, pelvis, neck and limbs should be recommended to avoid developmental problems.
- Incorporate posture awareness programs into your class projects. Write for suggestions and materials.

was closed because of a minor oil spill. The shellfish constable said cleanup work is being done.

RECEIVED NOTICE from State Senator William Q. MacLean, Jr. (D-Fairhaven) that his amendment to the fiscal 1988 budget providing for $225,000 for the reconstruction of the Mattapoisett River Dam has been signed into law by Governor Michael Dukakis. The reconstruction will resolve the periodic flooding problems at Route 6 and prevent the salinization of water supply wells upstream of the dam. The redesigned dam will also allow for more efficient fish migration and will provide for easier operation and maintenance during the annual herring run.

Mattapoisett's "Constitution Oak"

Mattapoisett celebrates the Bicentennial Anniversary of our Constitution on September 17th. A "Constitution Oak" will be planted with a ceremony for it to signify the vitality and permanence of this foundation of our National Government. A "Constitution Oak" Celebration Committee has been formed with the approval of the Selectmen to organize this once in a century event.

when one stops to think about the Time Line that will run from our Celebration to our great-great grandchildren in 2087.

Along with the planting will be a plaque unveiling with a message of celebration. There will also be brief addresses from various members of our Town's Larger Community. Because Americans turn their fondest thoughts to the future, with all its joys and problems, the Planting Ceremony will have children from all the schools and representatives from our many citizen organizations that, again and again, add so much to our lives.

There are still some items to be completed, and funding by private donations is being organized, but the major steps for A TOWN WIDE CELEBRATION are well underway. If you have any suggestions that you would like to offer, please write to me at 27 Pine Island Road, Mattapoisett or call 758-4270.

In any event, do plan to JOIN IN!

EARLY AMERICAN CRAFTS ON EXHIBIT

The special exhibit at the Museum & Carriage House for the month of August will focus on the early arts and crafts of New England. While arts and crafts today tend to be decorative, early arts and crafts were generally utilitarian.

In conjunction with the Library Crafts Show on August 15th, the Museum will be open all day (10:00 a.m. to 4:30 p.m.), and special demonstrations of crafts will be taking place there also.

Mattapoisett Band Concert

On Wednesday, July 22nd, there will be a special concert performance by the Jugend Blaser Band, a German youth band, and the Mattapoisett Town Band. The concert which begins at 8:00 p.m. in Shipyard Park will feature the Jugend Blaser band during the first half of the performance and the second portion will consist of the Mattapoisett Town Band and guest conductor, William Kingsland, presenting the following selections. Life's more fun without bifocals.

For natural vision, without lines, wear Sola VIP lenses.

A morning on the court...a night on the town. Life's best moments look better in VIP™ lenses. You get clear vision at all distances, just like with ordinary bifocals.

But there are no ugly lines or annoying "jumpiness" to spoil your fun.

With VIPs the world looks more natural— and so do you.

Stop in and try them today.

Playground Improvement

UPDATE

On Thursday, July 9th, the Mattapoisett Parent Teachers' Club presented a check for $1,000.00 to Tom Grondski, chairman of the Playground Improvement Committee. This generous donation is a great help toward our goal of $25,000.00, but we are still several thousand dollars short. The new playground will be constructed at Center School hopefully this Fall.

All children will be welcome to the playground which will greatly improve upon the current play area. We have not been able to contact the summer residents personally, but hope

"Buy a Locker"

P.A.I.N.T. ORR (People Allied in a New Tack at ORR), which is organizing a tri-town community effort on July 31 - August 2 and August 7 - 9 to paint needed areas of ORR High School, is leading a "Buy a Locker" campaign to raise the $7,500 needed to paint the 750 twenty-six year old lockers.

For a $10. contribution you can buy the professionally done electrostatic painting of a locker in Bulldog red. Community members are urged to "Buy a Locker" for ORRHS. Contributions will be accepted at various area events over the next few weeks. Please look for P.A.I.N.T. ORR and Buy A Locker posters at Mattapoisett Harbor Days, the Marion Police Association Flea Market, the Marion Town Party and Mattapoisett Track Club practices and meets. Your contributions may also be mailed to: P.A.I.N.T. ORR, P.O. Box 635, Mattapoisett, MA. 02739. Please indicate "Buy A Locker" on your check.

Also needed are contributions of time, materials, food and money to support the two paintings weekends. Four hour shifts are set on the Saturdays and Sundays; they are 8 a.m. to noon, noon to 4 p.m., and 4 to 8 p.m. with lunch, dinner and child care provided. On Fridays, July 31 and August 7 work will run from 2 to 8 p.m., and it is hoped people can contribute some block of time after work on those days, with dinner and child care provided.

award recently at a banquet at the Kittansett Club in Marion.

The 75 members of ORPEA, representing the teachers and secretaries of Old Rochester Junior and Senior High, selected Chief Scott and Officer Ennis due to their many visits to the schools to assist the teaching staff in a variety of programs.

ORPEA President Tom Grondski said in presenting these awards, "These two men have shown by their actions in the community and their availability to assist us, to be truly concerned with the safety and well being of all the students. To be more specific, they give their time so our children may live. They are regular participants in the driver ed program, as well as initiating assemblies on many different topics. Let this be an honor to their entire departments which encourage these men."

ORPEA presented its first 'Friend of Education' award to Marion's Ted Pratt last year.

Board of Appeals Decisions

reported by VIRGINIA ARRAL

The application for a Special Permit to make structural changes to a 1½ story one-family nonconforming structure and lot at 1 Cannon Street has been denied to Alan Pratt, 26 Enfield Drive, Andover. The applicant intended to replace an existing bay window on the Water Street side of the house by two six-foot wide Andersen sliding patio doors. According to the Appeals Board decision the lot is the smallest lot on Cannon Street and may be the smallest lot in town on which a house has been constructed. Information pro-

Lacking that Needed Lens?

Summer time....vacation time....that's picture-taking time. Don't let the lack of that wide-angle or telephoto lens spoil the photo-memories of this vacation. The popularity of our two new zoom lenses (Sigma 28-70 & 60-200) has brought lots of trade-ins so you can add the lens you need at a great saving.

Right now we have a wide and wondrous assortment of lenses for CANON, MINOLTA, PENTAX, NIKON, OLYMPUS and others at BIG savings. Every one is ready-to-go and guaranteed perfect, so, if the new ones are just a bit out of reach, you can still get the shots you want with a good used lens.

Whatever your photographic needs, please think of us. We'll either have what you want and need or we'll make every effort to get it for you....at the right price.

(Be sure to take advantage of the $2.00 rebate on two rolls of KONICA'S GREAT NEW FILM. If you haven't yet tried it, do it now & save.)

vided by the applicant includes no construction plan or sketch submitted; no plot plan was submitted; details on important matters were lacking or presented in a haphazard and unsatisfactory way.

The Appeals Board announcement states "We are being asked to exercise our discretion in favor of the applicant under the Zoning by-law based on a woefully inadequate presentation and record. We respectfully decline to do so. The burden of presenting an adequate and persuasive record is upon the applicant. The Board found the proposed construction will be more detrimental to the character of the Village Residence 10 District and will not be in harmony with the general purpose and intent of the zoning by-law."

A Special Permit was granted to Manuel M. and Myrtle L. Luiz, 152 North Street to allow them to have a maximum of 15 horses or ponies and to board horses or ponies, the maximum number of horses or ponies to include those owned by the applicants and those owned by others and boarded. It is the Board's intention that the Special Permit is for the express purpose of education in the care and riding of horses and the boarding of horses, and does not allow a "riding stable".

The third application for a Special Permit was granted to Antonio and Blanche B. Roderiques and Arthur and Florence Desroshers, 70 East Morgan Street, Fairhaven regarding property at 10 Howard Beach in the Brandt Island section in the waterfront district.

CENTER SCHOOL

The playground program has been full of fun this past week. Our Arts and Crafts have included pom-pom animals, spoon chimps, change purses and windsocks, which are on display at the Town Hall. Our rec has been exciting with our quite soggy water balloon tosses and our fun-packed candy-winning Bingo games. Outings have included a trip to the Town Beach and a trip to the Zeiterion Theatre to see the Magic of Lyn and Ken. We are still listening to all the possible conclusions from the kids on how all those tricks and illusions were done.

We would like to plan a trip to

Mattapoisett Growth Management

reported by VIRGINIA ARRAL

At the recent Growth Management Committee meeting, Chairman Peter Kortright said "In addition to our sub-committees working toward similar goals, we don't want to go 'shooting' at groups without a working knowledge of that group." He recommended a good place to start learning was to read department reports in the annual town reports.

Educating the public was overwhelmingly voiced by the steering committee members. Lawrence O'Pezio of the Planning Board said "we have to package and advertise changes to the public. We need to do some salesmanship on new ideas. We also need a master plan - well maintained, kept alive and up-to-date."

Dr. Manuel Rosenfield, chairman of the Old Rochester Regional District School Committee, felt departments should have future plans on needs and growth. "I know we at the

school committee have five and ten year old goals." He added that more thought has to be given to the input of one change and how ripples will affect other departments such as schools, water and sewer and police in 5 or 10 years.

The Harbormaster reported the State DEQE Chaper 91 Waterways Bill will create a lot of problems. "We are working on a plan concerning the waterfront but we can't do too much because of a lack of funds. The town has taken from the harbor, but has not given much back. I asked for $400. for equipment for the harbor patrol boat and was turned down. I know what needs to be done, but lack the funds."

June Mendell reported there are housing funds available for a consultant to come to a town and prepare a study on housing needs. Funds up to $50,000 depending on the type of

The Water Superintendent reported he has contacted Selectmen and the Planning Board and received approval to seek a SRPEDD grant to maintain water quality in the Mattapoisett River Valley. If the grant is approved he said he will keep the committee informed of the progress.

School Improvement Council

TO THE CITIZENS OF MATTAPOISETT:

As a result of Chapter 188, the Education Reform Law, the Mattapoisett School Committee has established a School Improvement Council. The function of the Council is to present to the School Committee recommendations for program services to students which will supplement the regular education program. The Council is composed of the Principal of the school, three teachers, three parents, and a community-at-large member.

This notice is intended to request the participation of an interested resident to serve as a community-at-large member for the Center School in Mattapoisett. Interested residents should submit their names in writing to: Joan M. Walsh, Superintendent of Schools, Old Rochester Regional School District, 135 Marion Road, Mattapoisett, MA.02739.

Mattapoisett Council on Aging

Below we supply information on the planned Big Bus trips for the balance of the summer and fall. May we remind our Seniors that these trips in a large bus are not restricted to Mattapoisett Seniors but are open to people of all ages as long as seats are available after our Seniors are taken care of. This is because the Town of Mattapoisett contributes nothing to these trips, as it does on Minivan trips.

Wednesday, August 5th, this minivan trip to Martha's Vineyard is full.

Saturday, August 8th, 8-day trip to the Gaspe Peninsula in Canada. We outlined this lovely trip in the Presto of June 17th. Please get brochure from our office for more information. Cost, $539. (twin).

Friday, September 18th, a 3- day tour to Kelly's in the Poconos. Arrive at Kelly's Motorcoach Inn situated on Lake Tammany in the afternoon; dinner is followed by entertainment in the pub, moved in whole from the streets of London; second day you visit Colony Village, browse through old-time candle, leather and woodworking shops, stop at the "sweet shop", then see the precious gems at the mineral and gem factory, and the old-time sweets

Tuesday, October 13th, a 3-day tour to Atlantic City, with a 2-day stay at night at the Sands Hotel. Cost $169. (2 to a room). Includes $10. in quarters. More details later, or get a brochure from our office. $25. deposit required for reservation is due shortly.

Wednesday, December 30th, New Year's Brandywine at Hotel Dupont in Wilmington, Delaware. More details on this trip will be announced later. We have been on this trip several times and doubt that there is a nicer place to enjoy New Year's Eve. The Cost is $269. (2 to a room). The reason that we request early reservations for this trip is to ensure that we maintain all our reservations needed. A $25.00 deposit is required.

Please remember that to make reservations stop off or phone (758-3758) our office in the Town Hall Monday through Friday between the hours of 9 a.m. and 12 noon.

A program featuring reminiscences and pictures of high school days was conducted by Mary Blum Schwartz of North Dartmouth and Neil Besse of New Seabury. The tables were decorated in the school colors with blue and white balloons. All the guests were recipients of gifts donated by classmate Janice Eldredge Day of Malibu, California, President of Jafra Cosmetics Company International. Sherry Carr Arnold of South Dartmouth relayed messages sent to the Class by members who were unable to attend. She announced that $1150.00 had been contributed by members of the class and friends to be given to the Fairhaven High School Restoration Fund. A moment of silence was observed in memory of the classmates who had died. A picnic buffet supper on Saturday evening at the Rochester Golf Club, which is owned by another classmate, Humphrey Tallman, concluded the festivities.

be the second outstanding show of the Zeiterion Theatre's "Sizzlin' Summer of American Broadway Musicals". Performances are scheduled for Thursday, Friday and Saturday, July 23-25 at 8:00 p.m., with a 2:00 p.m. matinee on Friday. Tickets are priced at $20.00, $17.50 and $15.00 with a $2.00 discount for senior citizens and students. For tickets and/or information call the Zeiterion Box Office at 994-2900. Tickets are also available at all Ticketmaster locations or by calling their toll-free number at 1-800-682-8080.

Based by Joe Masteroff on John van Druten's 1952 play "I Am a Camera", and Christopher Isherwood's book of "Berlin Stories", with songs by John Kander and Fred Ebb, "Cabaret" is a tale of tarnished innocents abroad in a land with no time for innocence - Berlin in the years just before Hitler came to power.

Susan Marie Trout (Sally Bowles) and Christopher LeBlanc (Clifford Bradshaw) will portray the outsiders caught up in the events taking place in the glitter and frenzy of Berlin in those days. She will enact a restless, reckless English girl trying to believe in her singing talent, he an American hoping to become a writer and fatalistically drawn to her.

Ms. Trout of Providence, RI has performed in numerous productions with the Trinity Repertory Conservatory. Last month she appeared as one of the alteregos in the Zeiterion production of "They're Playing our Song".

Mr. LeBlanc of Fairhaven played the role of Zach in the Zeiterion's highly acclaimed production of "A Chorus Line" in 1985. He has appeared in several off-off Broadway

shows and has had roles in the TV shows "Quincy" and "Housecalls".

George Charbonneau will be seen as the clown-faced Master of Ceremonies of the cabaret where much of the musical's action occurs. Mr. Charbonneau, a teacher and award-winning director at New Bedford High School, is both actor and co-director for this production of "Cabaret". With an extensive list of credits to his name, he recently received a special citation from the Mayor and the City of New Bedford's Bicentennial Committee for his contribution to the cultural life of the city.

Others in the large cast include Patricia Butcher (Fraulein Schneider), Patricia Lavornia (Fraulein Kost), Barry Slowik (Ernest Ludwig) and Albert Theodore (Herr Schultz).

"Cabaret" is co-directed by Armand R. Marchand and George T. Charbonneau with musical sequences staged and choreographed by Clay James. Don Vasconcelles is the Music Director.

The last American Broadway musical of the Zeiterion's summer season will be "West Side Story", to be presented August 20-22.

Country Auction

The Friends of the Friends Meetinghouse will hold an old-fashioned Country Auction Saturday, July 25th, at 10 a.m. (viewing from 8:30 a.m.) on the grounds of the Meetinghouse, 1341 Main Street, Acushnet. Dennis Broadbent, well-known area antiquarian and auctioneer, will officiate.

The group is interested in old furniture, glass, porcelain, china, old tools and implements, and almost everything except major appliances.

Acushnet residents and other supporters are asked to put aside appropriate items for donation to this worthy cause (the restoration of the 1759 Quaker church). To arrange for pickup of your contributions call 995-6187 or 763-2488.

Whale of a Fair

A "Whale of a Fair" and luncheon will be held at the First Congregational Church of Marion on Saturday, July 25th, on the church grounds at the corner of Front and Main Streets. The fair will be held rain

see a wonderful demonstration and then partake of a free lesson. The rain date for this is July 24th at 2 p.m. Maybe there is a gymnast hidden inside you, come and find out.

Also offered on the 23rd at 6 p.m. is "ANNE SHAPIRO". Anne is from Crackerbarrel Entertainment of Connecticut. This is a delightful evening of silly songs and rounds that you will learn and sing along with. Anne is always a great hit with an audience.

On Friday, July 24th, at 1:30 come to the Museum and watch "LARRY SAYCO-YO YO CHAMPION" perform wonderful tricks with his yo yo's. Also available are his professional yo yo's for you to purchase if you so desire. The demonstration is free with Museum admission.

On Friday, July 24th, at 8 p.m., the Museum will host "MAINSTREAM/ PLUS LEVEL SQUARE DANCE". The caller for the dance is Jim Schell and the cuer is Anna McDougall. Come and join in on the dance or just watch which is also very enjoyable. The Museum held this attraction last year and it was quite successful. Refreshments will be available, also a ½ and ½ raffle will be held, and several door prizes will be awarded.

PASKAMANSET EXHIBIT IN FINAL WEEKS

The Lloyd Center for Environmental Studies in South Dartmouth would like to remind residents and guests of our region to view the "Paskamanset/Slocum River" exhibit in the Main Building. The exhibit has been on display since January, and will be closing to the public at the end of August.

Featured are photographs, text, mapping, plants and aquaria illustrating the ecology of the Paskamanset/Slocum River. The river has maintained an unusually pristine quality in these days of increased pollution.

The Main Building of the Lloyd Center, located at 430 Potomska Road, is open Tuesday through Sunday from 9 a.m. to 5 p.m. It includes 3 main floors and a basement teaching center, all of which house parts of the exhibit. The upstairs "pilot House", or observation deck, is a popular attraction. There, visitors can view the river and saltmarsh area known as the Lloyd Center "viewscape", which was recently designated one

ST. JUDE'S NOVENA
May the Sacred Heart of Jesus be adored, glorified, loved and preserved through the world now and forever. Sacred heart of Jesus, pray for us. St. Jude, worker of miracles, pray for us. St. Jude, help of the hopeless, pray for us. Say this prayer 9 times a day. By the 8th day your prayer will be answered. Say it for 9 days. It has never been known to fail. Publication must be promised. Thank you St. Jude for answering my prayers. N.L.

WAMPANOAG CANOE PASSAGE

"One of the prettiest rivers in eastern Massachusetts", according to the Appalachian Mountain Club Canoe Guide, the Nemasket River rises from Assawompsett Pond and flows north around Middleboro and into the Taunton River. For the third segment of the journey across the Wampanoag Canoe Passage, the Lloyd Center will guide participants on a delightful stretch of this river on Saturday, July 25th. The Nemasket, used by Wampanoags to travel to their winter hunting grounds, offers a variety of paddling, from flatwater to very mild rapids. Whitewater experience is not required, though some prior paddling is recommended.

Pre-registration for this trip is required, as space is limited. We will meet in North Dartmouth to car pool at 8 a.m.. Upon registration, participants will receive details on

"FORCES THAT SHAPE THE COAST"

Looking for a golden opportunity for the last half of the summer? If you are a student entering grade 8 or 9, and you enjoy being around the water, there is still a chance to have fun while learning in the August session of the Lloyd Center's unique Summer Program in Coastal Studies. This program, now in its sixth season, is a four-week daytime learning experience designed to give motivated students an opportunity to explore the many aspects of marine science. The August session, "Forces that Shape the Coast", is designed for students entering grades 8 and 9.

Each session of the Summer Program emphasizes both field study and recreation and focuses on a particular aspect of coastal ecology. The primary goal of the Summer Program is to increase the participants' understanding of coastal ecosystems and human interdependence with them. At the Lloyd Center, daily classes integrate field work with laboratory investigation. In addition, students plan and participate in an overnight camping trip, a whale watch and other field trips.

Students in the August session will study physical oceanography - tides, currents, waves, and coastal geology. In addition, they will examine the plants and animals of each habitat and study their interrelationship with the physical factors.

To register for the "Forces that Shaped the Coast" contact Bill Cham-

ANNUAL BUTTERFLY COUNT

On Sunday, July 26th, the Lloyd Center for Environmental Studies will run an annual Xerces Butterfly count. From 9 a.m. to 3 p.m. Mark Mello, research coordinator at the Center, will take interested persons to a variety of local butterfly habitats. Participants will receive instruction on how to identify and count the different species. The Xerces Society sponsors the count in order to keep track of changes in the butterfly population and diversity over time.

Counters are advised to bring water, long pants and a hat or visor. Car pooling will be available, and the group will stop for lunch on the road. This event is not recommended for small children.

To register for the butterfly count, contact the Lloyd Center at 990-0505. Upcoming weekly walks include: "The Piping Plover", led by research assistant Jim Lyons on August 2nd, and "Perseid Meteor Shower", an early morning cosmic display on Monday, August 10th. Weekly walks are free and open to the public.

close Moonstone Beach in Rhode Island in order to protect these birds have led to much controversy. Why is it so important to protect them?

The Lloyd Center for Environmental Studies is currently studying the behavior and habitat of this rare bird. On August 2nd, at 9 a.m. research assistant Jim Lyons will lead a weekly walk to introduce interested participants to the piping plover.

Participants will have the chance to observe both adults and the young birds which have hatched this year. They will discuss the natural history of the species and the reasons for its decline. Lyons will propose management techniques designed to conserve the population, and will tell walkers what they can do to help this shy shorebird.

Weekly walks at the Lloyd Center are free and open to the public, thanks to a donation from Marianne Macdonald Real Estate. Interested persons should register early, as group size is limited. To register call the Center at 990-0505.

Drama critic for The Enterprise Michael Couture won for his Best Original Play, A Share of the Wealth which candidly and with honesty treated the theme of gang rape. Eric Spencer won Best Lighting Designer for this tense show which gathered unanimous critics' support in its first New England presentation at Wareham's Gateway Playhouse.

Joyce Wirth captured Best Actress for On Golden Pond and Susan Shaw Best Supporting Actress for her work in the late Jean Gent's The Maids. Raymond David Cardoza won Best Supporting Actor for his unique role in Edward Albee's Pulitzer Prize winner Seascape. On Golden Pond won awards for its set by artist Robert Scott and Paul Arthur Wirth.

Ibsen's century old play about congenital disease and hypocrisy, Ghosts, won Gateway Players an award for Best Play 1986.

The entire evening was delightfully hosted by WBET Brockton's Marian Wroble who was presented with A.R.T.A.'s Trustee Award for her lifetime contribution to the growth and continuance of regional theater in Massachusetts. Ms. Wroble co-hosted with her husband, Boston Globe columnist Reginald Coxe.

Except for an incident where 4 or 5 people walked off without paying their dinner bills, putting the A.R.T.A. treasury into debt, the 15th annual A.R.T.A. banquet went off pleasantly and in high fashion.

ing is available. The public is invited to bring picnic suppers, blankets or lawn chairs to make it an enjoyable and relaxing evening in the garden. Hawthorn Florist and Glen Petroleum are continuing a long tradition of community support by sponsoring this concert.

The Quintet will trace the origins of jazz from 1890 to 1940 by way of music and entertaining narrative. This will include samples of ragtime, early jazz, some of jazz's classical origins, popular show tunes and Big Band favorites. They will play selections such as "Chevy Chase Rag" by Eubie Blake, "Cascades" by Scott Joplin, "Porgy and Bess" by George Gershwin, John Philip Sousa's "Washington Post March", and favorites by Victor Herbert, Fats Waller, Tommy Dorsey and Glenn Miller. United Brass Quintet members are: Robert Ferrante, horn; Theodore Haines, trumpet; Arthur Mahoney, trumpet; Robert Nichols, trombone; and Steve Shaw, tuba.

The Rotch-Jones-Duff House & Garden Museum is a private, non-profit organization. Museum tours are held Tuesday-Friday, 10 to 4, and Sunday, 1 to 4, throughout the summer. Call the Museum at 997-1401 for further information concerning concerts, tours or rental.
